Caution Statement:
WE HAVE NOT NECESSARILY GIVEN YOU THE SHORTEST WAY, if you look at a Map. BUT we have given you WHAT WE FEEL IS THE SAFEST WAY TO OUR OFFICE. We do not recommend turning Left into Piedmont Commons when coming from the North, and traveling South on Piedmont Rd. The reason is because there are 3 northbound lanes on Piedmont Rd., and because “of the way the road curves” at the Piedmont Commons Entrance, **if you are trying to turn Left from Southbound Piedmont, into the Piedmont Commons Entrance, YOU CAN NOT SEE THE (East) INSIDE 3rd LANE OF ONCOMING TRAFFIC, UNTIL IT IS TOO LATE!** Thus, to avoid this turn, use the route described in the directions which is to turn South onto Maple Dr. from Peachtree Rd, and continue until it dead ends and Turn Left on Pharr Road. Get into the Center Lane, and cross Piedmont into the Piedmont Commons Complex Entrance, then turn Left to 3021.
